Meet Liaison and Kokako

The Raven 31 is a lovely example of a NZ designed and built family cruising yacht that is comfortable and easy to handle. Features include a walk-through transom for easy swimming or dinghy access. Hot and cold pressure water for showers, a refrigerator, comfortable appointments and an inboard motor.

The Raven 31s rig is modest, with the intention being to provide sails and gear that can be easily handled without dramas by a couple. The perfect yacht for two couples or a family to explore this wonderful cruising area.

Great Escape
Sail Yourself Yachts

Accommodation: The main saloon table drops down to create a generous single or tight double. There is an insert for the forward cabin to create a generous double or leave as two singles. The aft quarter berth is a tight double or generous single. The galley has plenty of worktop, food and utensil storage.

Fantastic off-season getaway -

two days in mid June of glorious exploration in the Bay of Islands on board Liason, one of Great Escape's Raven 31 yachts. This is down to earth sailing at extremely reasonable prices. Boat had everything we needed, nothing complicated to operate. Comfy and cosy beds. Anchored in Pipi Bay and was the only yacht there - actually went for a swim! (Yes it was cold!) Also headed to Urupukapuka Island and walked across the hill to the next bay - spotted tomits, saddleback, NI Robin, lots of tui and fantails. Thanks Julie and Bill! Will be back.
